Lesson 4: A comparison of natural and positive law

LAW

Recognizes the value of human life

Does not recognizes the value of human life

Important Terms:

- Relative: depending on other factors
- Absolute: is unchanging and does not depend on other factors

Important Terms:

- <u>Temporal</u>: temporary, is only for a short time
- Eternal: Forever; at all times
- Extrinsic value: the value of something is based on other factors
- <u>Intrinsic value</u>: the value of something is based on the fact of the object

Important Terms:

- <u>Discovered</u>: we find the law/ principle
- <u>Determined</u>: we decide what the law/ principle is
